Making it easier

- Some questions refer to the reference week. The reference week is given on the front cover. Please enter it on the name flap.
- Please keep the name flap folded out while you complete the questionnaire. Please observe the order of the columns for the respective persons as given on the name flap.
- Please do not complete the establishment flap before you are asked to do so in the course of completing the questionnaire (question 161 on page 44).
- Please note the time before you begin filling out the questionnaire. At the end of the questionnaire you will be asked how long it took you to complete it.

We will guide you through the questionnaire.

- If possible, each person should answer the questions for him or herself. Information may be provided on behalf of children (under 15 years), people in need of care or people with disabilities who are not able to answer the questions for themselves.
- Not all questions will have to be answered by all persons. When there is an answer box with an arrow (jump instruction), the numeral beside the arrow indicates the question to be answered next by the relevant person.

Example:	Person 1	Person 2	Person 3	Person 4	Person 5
Yes	<input checked="" type="checkbox"/> → 10	<input type="checkbox"/> → 10	<input type="checkbox"/> → 10	<input type="checkbox"/> → 10	<input type="checkbox"/> → 10
No	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

In the example, Person 1 answers "Yes" and goes to question 10.
Person 2 answers "No" and goes to the next question.

- Jump instructions may differ between persons. This is why you should not complete the questionnaire for several persons at the same time as jump instructions are easily overlooked.
- When entering figures, please do so right-aligned.

Example: Hours per week

- If you wish to correct an answer, please do so as follows.

1 Living floor space

The total living floor space of the dwelling is the cumulative floor space of all rooms in the dwelling.

Rooms outside the self-contained dwelling (e.g. mansards) and cellar and attic rooms converted for residential use also form part of the dwelling.

The living floor space of a rented dwelling is usually stated in the tenancy agreement.

If you calculate the living floor space yourself please include the individual areas as follows:

- the full living floor space of rooms with a clear height of at least 2 metres,
- half the living floor space of rooms or of floor areas under a sloping ceiling in rooms with a clear height of at least 1 metre but less than 2 metres,
- a quarter of the floor space of balconies, loggias, roof gardens

3 Main tenant with subtenant

In the case of subletting, please state the monthly rent for the whole dwelling, not just for the dwelling areas occupied by the main tenant.

3 Payment of rent for Hartz IV recipients

Recipients of Hartz IV benefits (unemployment benefit II, social benefit) whose rent is paid in full or in part by the employment agency (job centre) are to state the full amount of rent and incidental rental expenses paid to the landlord/landlady or property management.

4 Today's territory

"Today's territory" refers to the national borders of the Federal Republic of Germany as of 3 October 1990.

5 Citizenship

Please also mark "By birth" if the person concerned acquired German citizenship by birth but later was temporarily deprived of it.

People who came to Germany as ethnic German repatriates between 1993 and 2000 received an official certificate of naturalisation (not a certificate in accordance with Section 7 of the Nationality Act). In this case, please mark "As a naturalised (ethnic) German repatriate".

For people who have been granted German citizenship on the grounds of their eligibility for naturalisation, please mark "As a naturalised (ethnic) German repatriate".

For people with a certificate in accordance with Section 7 of the Nationality Act, please mark "As a non-naturalised (ethnic) German repatriate".

6 Partial retirement

The Act on Facilitating a Smooth Transition to Retirement provides the framework conditions for partial retirement agreements between employers and employees. The employment agency promotes part-time work arrangements for employees who reduce their working hours to half of the regular working time when they are 55 years old or older.

7 Caregiver Leave Act/Family Caregiver Leave Act

Employees have the right to be temporarily released from work to look after close relatives at home. They may choose between two different release options: Under the Caregiver Leave Act, employees may be released from work on a full-time or part-time basis for a maximum of six months to look after a close relative in need of care.

There has been a legal entitlement to family caregiver leave since 2015. This means that employees may reduce their weekly working time if they look after a close relative in need of care at home.

8 Categorisation of job

If you are self-employed and only employ unpaid family workers (no wage or salary), please mark the category "self-employed without employees". Those who work freelance or on a contract basis are considered as self-employed, including people who provide tuition, give private lessons or babysit. If you work without pay in a business owned by a family member or relative, you are an unpaid family worker. If you receive pay for your work, you are either a wage earner or salary earner.

Public officials include officials employed by the Protestant Church and the Roman Catholic Church. "Insurance officers" and "bank officers" should classify themselves as salary earners.

The category of wage earners comprises skilled workers as well as semi-skilled and unskilled workers.

If you are an intern, a (paid) trainee or a volunteer in the Federal Volunteer Service in your additional job, please indicate "salary earner".

7 Marginal employment

In the case of marginal employment, that is, a 450-euros job (also referred to as mini-job; with a pay of up to 450 euros per month on a yearly average basis), the employer pays flat-rate contributions to pension and health insurance and a lump-sum tax rate.

A job is also considered to be marginal employment if it is limited to a maximum of three months or 70 days worked per year.

People in a one-euro job continue to receive unemployment benefit II plus an additional expenses allowance of usually 1 to 2 euros per hour worked.

10 Establishment (location)

An establishment is the location where you work (e.g. a shop, freelancer's office, agricultural holding, location of an enterprise, body governed by public law, etc.).

A location (e.g. a specific establishment of an enterprise) may comprise several separate work places (such as a production site, a warehouse and an administrative building all on the business premises). The people working at those work places belong to one and the same establishment.

The people working in an establishment include part-time workers, apprentices, working proprietors and unpaid family workers.

11 Stand-by duty

The whole period of stand-by duty is to be included in the weekly working hours. Stand-by duty means that an employee has to be on stand-by at a place specified by the employer to perform work if necessary.

This is to be distinguished from on-call duty. On-call duty means that the employee is free to decide where to stay. The employee is required to start work within reasonable time if the need arises. In this case, only the actual hours worked and the travelling time count as working time.

12 Main sources of livelihood

If you are in employment, this does not have to be your main source of livelihood (e.g. the living expenses of apprentices are often paid by their parents). If you pay your living expenses mainly from what you earn in marginal employment, please enter employment. Pensioners who are still in employment may live mainly on what they earn or on their pension, depending on the amount of benefits they receive.

Regular payments of life assurance companies (including benefits paid by pension funds of specific liberal professions such as doctors or pharmacists) are regarded as maintenance payments from own property.

13 Net income

Please also include:

- benefits paid to encourage capital formation,
- advances,
- rent for company-owned housing,
- interest received, dividends, other property income,
- income in kind (e.g. foodstuffs, free coal for miners).

Long-term care benefits in kind (provided by care homes and home care services) are not to be included here.

14 Statutory pension insurance

You have statutory pension insurance if you are insured with the German Federal Pension Insurance (Deutsche Rentenversicherung Bund, formerly BfA, LVA) and the German Pension Insurance Miners, Railway and Maritime (Knappschaft-Bahn-See). This includes the statutory pension insurance of a foreign country (e.g. people who live in Germany but are employed subject to social insurance contributions in a neighbouring country).

You also have statutory pension insurance if you

- pay contributions to the agricultural pension fund,
- work in a Federal Volunteer Service,
- do a year of voluntary work in the social, cultural or ecological sector
- do voluntary military service, or
- do reserve duty training as a soldier.

Statutory pension insurance is compulsory mainly for wage earners, salary earners and certain self-employed persons (e.g. home workers with no more than two assistants from outside their family). Public officials and comparable salary earners (employees of health insurance institutions with public official status), self-employed persons (with few exceptions) and unpaid family workers without a working contract are exempted from compulsory pension insurance.

Contributions are paid for unemployed persons who receive unemployment benefit I. They are therefore regarded as liable to compulsory statutory pension insurance. With effect from 1 January 2011, contributions are no longer paid for unemployed persons receiving unemployment benefit II (Hartz IV). They are not liable to compulsory insurance.

This does not refer to company old-age pension schemes, public officials' pension scheme, occupational pension schemes and private old-age pension schemes (e.g. state-sponsored private pension plan according to "Riester", life assurance and the like).

Purpose, type and scope of the survey

The microcensus collects statistical data on the population and the labour market as well as on income, living conditions and housing circumstances of households on a representative basis. The data are collected based on different survey components. The survey units are persons, households and dwellings.

The purpose of the microcensus is to provide statistical data, with a detailed subject-related breakdown, on the population structure, the economic and social situation of the population, of families and households, on the labour market, the occupational structure and education of the labour force, and on the housing circumstances. It also serves to meet European obligations. Every year, up to one percent of the population may be surveyed. In every sampling district, the survey is conducted not more than four times within five consecutive calendar years. Data for the additional survey component concerning income and living conditions will be collected from a maximum of 12 percent of the microcensus respondents.

Legal basis, voluntariness

The legal basis is provided by the Microcensus Act (MZG), Regulation (EU) No 2019/1700, Regulations (EU) No 2019/2180, (EU) No 2019/2181 and (EU) No 2019/2242 implementing Regulation (EU) No 2019/1700, Delegated Regulations (EU) No 2020/256 and (EU) No 2020/258 in conjunction with the Federal Statistics Act (BStatG).

Data are collected in accordance with Section 6 (1) nos. 1 to 4, no. 5 letters a and b, nos. 6 to 10 and Section 8 (1) to (3) of the Microcensus Act.

Providing information is voluntary in accordance with Section 8 (3) in conjunction with Section 13 (7), first sentence, of the Microcensus Act.

Consent to the processing of the personal data can be revoked at any time. The revocation will only apply in the future. Any processing of information prior to the revocation will not be affected by it.

Confidentiality

The individual data collected are always kept confidential in accordance with Section 16 of the Federal Statistics Act. Individual data may be passed on only in exceptional cases explicitly regulated by law.

Individual data may always be transmitted to:

- public agencies and institutions within the official statistics network which are entrusted with the production of federal or European statistics (e.g. the statistical offices of the Länder, the Deutsche Bundesbank, the Statistical Office of the European Union [Eurostat]),
- service providers with whom a contractual relationship exists (e.g. Federal Information Technology Centre (ITZBund), computer centres of the Länder).

Pursuant to Section 16 (6) of the Federal Statistics Act, institutions of higher education or other institutions tasked with independent scientific research may, for the purpose of carrying out scientific projects, be provided

1. with individual data if attributing the anonymised individual data to the relevant respondents or persons concerned requires unreasonable effort in terms of time, cost and manpower (de facto anonymised individual data),
2. with access to individual data not including name and address (formally anonymised individual data) within specially protected areas of the Federal Statistical Office and the statistical offices of the Länder, if effective measures are in place to safeguard confidentiality.

Article 11 of Regulation (EC) No 2019/1700 provides for transmission of collected individual data to the Commission (Eurostat). Pursuant to Article 15 of the Regulation as regards access to confidential data for scientific purposes, Eurostat may - within its own access facilities or within other access facilities accredited by Eurostat and in accordance with the conditions stipulated in Article 7 of Regulation (EU) No 557/2013 - provide access to individual data not including name and address for scientific purposes and pass on sets of individual data from the data sets regarding the domains specified in Article 3 of Regulation (EU) No 2019/1700 provided that those sets of individual data have been modified so as to reduce the risk of identifying the statistical unit to an appropriate level.

Persons receiving individual data are also obliged to maintain confidentiality.

Auxiliary variables, reference numbers, separation and deletion

The names and address of the household members and the contact details of the household members are auxiliary variables which will only be used for the technical conduct of the survey. As soon as the survey and auxiliary variables have been checked for conclusiveness and completeness, the auxiliary variables will be separated from the information on the survey variables and will be kept separately or stored separately.

- Pursuant to Section 14 (5), first sentence, of the Microcensus Act, the first names and surnames and the municipality, street, house number and contact details of the persons surveyed may also be used with regard to household relationships to conduct follow-up surveys in accordance with Section 5 (1) of the Microcensus Act.
- Pursuant to Section 14 (5), second sentence, of the Microcensus Act, the information on the variables pursuant to Section 14 (5), first sentence, of the Microcensus Act may also be used as a basis for recruiting suitable persons and households to conduct household budget surveys and other voluntary surveys.

Information on the survey variables is processed and stored for as long as necessary to comply with the legal obligations.

All survey documents and the auxiliary variables will be destroyed or deleted after the processing of the last follow-up survey has been finished.

The household number and the person number are used as reference numbers. The household number is used to distinguish the households participating in the survey. It consists of a code for the Land and a serial number for the household. The person number is a serial number of the household members.

Rights and duties of the interviewers, ways of providing information

Volunteer interviewers are employed to reduce the burden for the respondents, but the survey may also be conducted in writing. The interviewers have to provide proof of their authorisation. Their reliability and discretion must be ensured and they have specially been obligated to maintain confidentiality. They must not use information gained in the course of their activity in other processes or for other purposes. This obligation continues to apply after their activity has ended.

The interviewers should help the respondents to answer the questions. The answers to the questions in the questionnaire may be provided orally to the interviewers or by electronic means or in writing.

For the written survey, the respondents receive the questionnaires, including information on how to complete them, direct from the interviewer or from the relevant survey office. If the information is provided in writing, the completed questionnaires may be given to the interviewer or may, in due time, be handed in or sent to the survey office. Please do not send the written questionnaires by electronic means as this is not a secure transmission channel.

Rights of the respondents, contact details of the data protection officers, right to lodge a complaint

- access and information as per Article 15 of the General Data Protection Regulation,
- rectification as per Article 16 of the General Data Protection Regulation,

with regard to their respective personal data, or they may object to the processing of their personal data as per Article 21 of the General Data Protection Regulation.

If the above rights are exercised, the competent public agency will check whether the relevant legal requirements are met. The person making the request may be asked to prove his or her identity before further measures are taken.

Questions and complaints concerning compliance with legal data protection rules may be addressed at any time to the official data protection commissioners of the statistical offices of the Federation and the Länder or to the competent data protection supervisory authorities.
